Hi-Y Heads Meet at Park

Hi-Y clubs in schools in San Francisco, Stockton, Salinas, San Mateo, Burlingame and Redwood City were represented at the week-end conference of Northern California high school Young Men's Christian Association leaders held at Camp Yu-Mi-Ci-A in Memorial Park Friday, Saturday and Sunday.

Representing the Sequoia Hi-Y were the leader, D. F. Gatchel; the president, James Argo, and William Libby, a member of the Hi-Y council. Gatchel presided as toastmaster at a Saturday night banquet and reported on work of Y.M.C.A. in Europe, having visited Y.M.C.A.'s in France, Italy, Hungary, Austria, Germany, London and Scotland in the summer of 1936, which he spent abroad.

Young Argo outlined the work being done by the Sequoia Hi-Y, and Libby reviewed the book, "Larry."

Leaders of the week-end conference were Robert Simcock of San Francisco and John Titsworth of San Mateo. Roy Hohberger, former "Y" secretary here now located in Salinas, conducted a conference for the Hi-Y boys Saturday evening, and Assistant Superintendent of Schools McLaid of San Francisco was a campfire speaker, telling of a recent trip to the Orient, where he studied "Y" work and the movement for world brotherhood.

Conferences and sports events occupied the Saturday schedule, while yesterday was devoted mainly to devotionals, the conference being concluded yesterday afternoon.

Branch Optical Office Opened At Local Store

Dr. A. Livingston, optometrist, today announced the opening of a branch optical office of the W. R. Johnson Optical Co. of San Francisco on the mezzanine floor of the Lock Drug Co.

He intends to co-operate with the main office in the Phelan Building, San Francisco, to assure quick service in filling optical prescriptions or making repairs, he stated.

Dr. Livingston has been an optician for more than 20 years.

CCC Enrollment Law Clarified by Ruling

SAN MATEO, Sept. 29—Service as a Civilian Conservation Corps enrollee prior to July 1, 1937, shall not be counted in computing the two year maximum period of enrolled service for CCC juniors, as specified in a new law, it was announced today by Mrs. Mary B. Hogue, CCC selecting agent for the county, whose office is at 430 Peninsula avenue, San Mateo. This ruling removes for the present any consideration of maximum service in determining eligibility for reselection of juniors with previous honorable discharge.

Greyhound Owner Loses Court Plea

The attempt of T. F. Gumes, Marina Vista greyhound trainer, to prevent the county planning commission from "interfering" with his kennel business met swift defeat Tuesday when the matter came before Superior Judge Maxwell McNutt.

In a five-minute hearing, Judge McNutt granted Asst. Dist. Atty. Daniel E. Sullivan's motion to dismiss Gumes' plea for an injunction on the grounds that an injunction cannot be granted to prevent something that has already taken place.

The planners, at a heated hearing attended by a delegation of irate Marina Vista property owners who branded Gumes' kennel a nuisance, voted several weeks ago to recommend to the supervisors that Gumes be denied a kennel permit he was seeking. The matter will come before the supervisors at their October 6 session.

Arnold Dancing School to Open In R. C. Today

Today is the date set for the opening of her dancing school in Redwood City by Ruth Arnold, who for five years has maintained a studio in Burlingame and recently directed the dances for the successful pageant, "The Song of Don Largo," presented at the county fiesta.

Miss Arnold for 15 years was associated with Mildred Hirsh in a San Francisco dancing school and was a co-partner and instructor in the Hirsh-Arnold ballet. She also was soloist with the Chicago civic opera ballet for several years.

Associated with Miss Arnold is Miss Willette Allen, also at one time soloist for the opera ballet.

All kinds of dancing will be taught, for children of all ages and adults, by Miss Arnold, who will have her studio on Fridays at St. Peter's Episcopal church hall. Ballroom dancing instruction will be given on Thursday night, the first having been given last night.

Wiehr Dance Classes Plan Open-House

To introduce her work to the community, Lillian Wiehr, who is just opening a dancing studio here, will hold open house Saturday afternoon between 1 and 4 o'clock at the Episcopal parish house, where her classes will demonstrate their work.

A special boys' tap class will perform between 1 and 1:30 o'clock, a special class for children between 2½ and 4½ years of age will be seen between 1:30 and 2 and older children between 2 and 4. Alice Davis will be in charge of costumes.

Accompanist will be Ruth Robleto, and she and Miss Wiehr will be assisted in receiving the guests by Tom Aldridge, Mrs. Ruth Hawks and Miss Emily Hadley.

Visitors will be welcome, but unenrolled children must be accompanied by their parents. Candy will be served the children.

TWO PROPOSALS PUT ON BALLOT FOR NOVEMBER 2 POWER ELECTION

Nov. 2 Election Set Following Wrangle At Council Meet

When Redwood City votes November 2 on the question of issuing $575,000 worth of bonds to finance purchase of the Pacific Gas and Electric Company's power distribution system so that the city may distribute electricity as a municipal venture, there will be two proposals on the ballot.

This was decided by the city council Monday at an adjourned meeting. The decision came by unanimous vote of both proponents and foes of the municipal ownership question, but only after confusion resulting from submission of the pair of proposals had for a time jeopardized the possibility of submitting the matter to the people for their vote.

HOPE TO CARRY BOTH

The two proposals, both of which proponents of the power plan hope will obtain the necessary two-third vote, are:

1. To issue $575,000 in bonds to acquire the P. G. & E. properties through eminent domain proceedings only (by condemnation suit).

2. To issue the bonds either to finance the building of a competing system or the purchasing of the P. G. & E. system through negotiation with the utility.

Only one set of bonds—$575,000 worth—would be issued in all events. Should both measures carry, the city council then would determine under which method to proceed when it ascertains the attitude of the power firm.

DELAY FOR YEARS

It was explained that if the city voted only for the condemnation method of taking over the system, the power firm might choose to fight such a suit and bring appeals through the various courts so that it might take several years to acquire the system. But if both propositions are voted, the city will be able to negotiate with the P. G. & E. under the second one, and as a last resort, should all possibility of negotiation fail, could build a competing system.

Before they would finally consent to vote to put the proposition before the people, Councilmen James M. Eva, Evans A. Fletcher and Louis Christensen insisted that the record show they were voting only as an expediency in order to place the question before the people, not because of personal advocacy of the plan.

As a matter of fact, when City Atty. Albert Mansfield first presented the plan of putting two propositions on the ballot—as has been done in other cities where the same question has come up—and it had been followed by nearly an hour of discussion, Eva, Fletcher and Christensen voted "no" on the proposal after it had been moved by Councilman Robert N. Jones and second by Councilman William Hohn. The proposal had been in the form of a resolution declaring public necessity for such action, in accordance with law.

WOULD HAVE ENDED CASE

Had this vote been allowed to stand, the entire power question would have been killed, for a two-thirds vote of the council—or approval of five of the seven members—was necessary to pass the resolution.

Mayor Paul A. McCarthy then undertook to explain the questions over again, pointing out that the resolution was only a "necessary incident" bringing the power proposal to a vote of the people. He recalled that $10,000 had already been spent in evaluations and railroad commission hearings in bringing the question up this far; that the anti public-ownership councilmen had said all along that they would not oppose the calling of an election; that according to law a resolution of public interest and necessity must be passed at a meeting prior to the one in which the election ordinance is introduced.

Upon hearing the new explanation, the council voted, on motion of Fletcher, second of Eva, to reconsider. On the reconsideration, with Jones offering the motion and Councilman George McNulty seconding each time, motions to place both questions on the ballot carried unanimously.

Roberts School Of Dancing Now In Fourth Year

The Dorothy Roberts School of Dancing is now entering its fourth year of dancing instruction, according to Miss Roberts, manager of the school.

Pupils participated in both the recent Harbor Opening Festival and the San Mateo County Fiesta. Last week-end about 40 of the students entertained veterans at the hospital in Palo Alto.

The pupils of the school are given as many opportunities to appear in public performances as possible, according to Miss Roberts who feels that this is an important part of their training.

Western Road Work of 1937 Supports City of 60,000

Spirit of western highway construction is portrayed by this photo of lovely Wyn Cahoon of Columbia Pictures, poised atop a steam shovel at one of the many 1937 road improvement projects of Washington, Oregon, California and Arizona. Estimates made by General Petroleum Corporation, marketers of Mobilgas, show that highway work in this area, totaling $54,600,000 in nine months, has supported 17,000 heads of families, or the equivalent of a city of 60,000 persons. The actress who posed for this road construction picture is currently appearing in "Park Avenue Dame" with Fay Wray and Richard Arlen.

Local Decision In Ocean Shore Suit Reversed

Further prolonged court battles over the value of land condemned for rights-of-way of the Rockaway Beach-Farrallon City stretch of the Ocean Shore highway were in view today.

Retrial of the suit brought by the state against W. Griffith Henshaw and seeking to establish value of the condemned land was ordered Monday by the state district court of appeals.

Henshaw claimed the land was worth $1250 an acre.

Superior Judge A. R. Cotton, in deciding the suit that was before him in 1935 and last year, determined the 17½ acres in question were worth only a total of $1650.

In sustaining the appeal taken by the property owner, the district court held the trial court had erred in not awarding compensation on Henshaw's property as a whole for the loss of the condemned portion.

Still pending before the state appellate court is another suit involving land abutting Henhaw's and owned by the Ocean Shore Railroad Company.

The state has appealed an order of Superior Judge J. J. Trabucco of Mariposa county, who heard the case here, granting the railroad a change of venue to Alameda county.

MENLO PARK NEWS NOTES

The American Trust Company has sold its property on the corner of Santa Cruz avenue and the state highway to Mr. Meyer, the real estate broker.

The big building is partly rented, but the portion that housed the American Trust Company before it was moved to Redwood City has been vacant for a long time. It will not be used for bank purposes because the bank examiner would not permit a second bank in Menlo Park.

It is rumored that a large clothing store will move in shortly.

The realty just sold is the most valuable in town. It is a part of the old Golder holdings, and where the building now stands was a grape arbor which is remembered by many pioneers for the excellent grapes grown there.

The engagement is announced of John G. Shortridge, young son of Mr. and Mrs. Samuel M. Shortridge, and Miss Katherine McCulloch, daughter of Mrs. Ben McCulloch of San Francisco. The event will take place October 23.

Mr. Shortridge is a graduate of Sequoia high school, Stanford University, and Hastings School of Law. After receiving his law degree he entered the office of Atty Garrett McEnerney. Two years ago he formed a law partnership with an eminent lawyer of Bakersfield, where he is meeting with splendid success in his profession.

Mrs. W. H. Weeden gave a birthday party Tuesday for her granddaughter, Emma Roberta Lindquist, at her home on El Camino Real. Fourteen little playmates were present to wish Emma Roberta happy returns of the day on her eighth birthday.

Games were the diversion of the afternoon, after which the children enjoyed dainty refreshments served from a pink and blue table. Favors and appointments carried out the color scheme.

An agent of the state highway commission was here this week securing options on property on the west side of the highway for widening of the thoroughfare. Work on the project may be started within a few months.

Miss Vivian Kay has returned to her Atherton home after a three-month tour of Europe. En route home she spent two weeks in New York and Boston.

Mr. and Mrs. William Keesling (Virginia McMullin), whose marriage was a peninsula event a week ago, are honeymooning at Sonoma Mission Inn.

The fountain located in the Duff Building has been purchased by the University Creamery. The business will be conducted by the new owner in connection with its creamery across the street. The concern also owns a larger restaurant and confectionary at Palo Alto.

John Maloney, talented young son of Mr. and Mrs. C. Maloney, is spending a few days with his parents after making a tour of the East. Mr. Maloney is a cartoonist on the Los Angeles Herald and Express, an Hearst publication.

Mrs. W. H. Weeden and her daughter, Isabelle Weeden Lindquist, motored to Monterey Thursday to visit relatives.

The regular meeting of Menlo Park American Legion Post No. 443 was held in Legion Hall Wednesday evening with Comm. Herbert Dittrick presiding. The post is planning several events for the near future, and announcements of these affairs will be made soon.

Wayne Lindquist and Bob Leach have returned from Clear Lake, where they spent their vacations.

The first of a series of four whist parties sponsored by Menlo Park American Legion Auxiliary was held in Legion Hall Tuesday night. These parties will be given on the last Tuesday of each month. Isabelle Weeden Lindquist is chairman for the series.

Mrs. Marion Malpas has returned to her home on Oak Grove avenue after spending several months visiting relatives in Canada.

Local Moose Given Awards

Eighty-five members of Loyal Order of Moose No. 1112 and of Redwood City Chapter No. 601, Women of the Moose, were present at Foresters' Hall Tuesday night for the presentation of two cups to the men's lodge.

The cup awarded to the lodge for having won the championship in the state publicity contest was presented by J. J. Gahan of Oakland and accepted by Dictator Roy H. Parker, who thanked the lodge members for their co-operation in making possible the winning of the championship.

The other award, a gold spangled cup, was presented by the Great North Moose of Golden Gate Legion No. 15 of San Francisco to Redwood City for having won the tug-of-war at the two groups' annual picnic. It was accepted by Vice Dictator Bernard Sutfin, who had been in charge of arrangements for the pincic.

Short talks on the child city of Mooseheart were made by Brother Gahan and George Pollock of Salinas, vice president of the Moose Association.

A class of eight new members was initiated by the new Redwood City degree staff.

Lodges in other communities represented by visitors here last night were Santa Cruz, San Jose, Salinas, Oakland and San Francisco; Santa Cruz, which boasts a German band, issuing a challenge to the Redwood City "kraked band" for a "battle of music" in the near future.

After the business session, Musician Mac DeGuire entertained with piano selections, and a Dutch lunch was enjoyed.

Few Mishaps Mar County Floral Fete

A few sprained ankles and wrists—these were the only mishaps marring the good spirit of the county floral fiesta at the San Mateo Bay Meadows race track.

Miss Esther Baxter, public health nurse stationed by County Health Director Charles C. Gans at the fiesta for first aid services, reported few injuries required her ministrations, despite the huge crowds milling through the large display hall for the Thursday to Sunday duration of the celebration.

Tree Crushes Bridge On Mountain Road

Nature took a hand over the week-end in demolishing one of the old county bridges that have been a source of worry to County Engineer U. S. Marshall.

No one was injured when a giant 250-foot-tall pine toppled over Saturday and crashed down on the 30-foot bridge on the Old Alpine road, one mile above Haskins Hill.

The bridge, according to Marshall, was demolished and the road blocked. It will take county engineers until Wednesday to open the road.

Instead of building a new bridge, Marshall has installed a 48-inch pipe to carry the waters of Mendigo creek underneath the road, and plans to fill in the roadbed so that no bridge will be necessary.

Marshall described the bridge as "a relic of the past, 50 years old." The pine was a giant tree, according to Marshall, and measured 39 inches in diameter half way up its trunk.

Clothing Stolen Here From Railroad Worker

Sheriff's officers today were on the lookout for a man with a "new" wardrobe and miscellaneous belongings actually owned by Borinquen C. Sasules, Southern Pacific Railroad employe.

The goods were stolen in the night from a railroad car which stood on a track siding near the Johns-Manville plant, it was reported to Redwood City police and the county sheriff's office.

Included in the loot were a suit, shirts, a camera, books, magazines and personal articles.

The Confederate army was short on rations during much of its Civil war campaign.

Eight Precincts To Be Available For Power Vote

Redwood City's 24 voting precincts will be consolidated into eight for the coming election November 2 to decide on issuance of $575,000 in general obligation bonds to finance purchase of the power distribution system of the Pacific Gas and Electric Company.

This was decided by the city council last night as it met to introduce an ordinance calling for the election. A resolution had been passed the night before declaring necessity of having the election. Final passage to the ordinance is expected to be given at the next meeting, October 4. The three actions are made necessary by law.

While the vote will be on 4 per cent bonds, councilmen believe in view of the fact recent harbor and 1915 act refunding bonds sold for less than 3 per cent, the power bonds could be sold at an equally attractive figure.

ECONOMY EFFECTED

Consolidation of the voting precincts was made in the interest of economy. Decision to do this and to introduce the resolution came on unanimous votes of the council.

Polls will be open from 6 a.m. to 7 p.m. on election day. Names of election officers, as selected by the council last night, will be published shortly in a legal notice in The Tribune.

The eight precincts will be as follows:

No. 1 (Including regular precincts 1, 2 and 3) Justice court, 2326 Broadway.

No. 2 (Precincts 4, 5, 6) Mrs. Lillian Eikerenkotter residence, 408 Stambaugh.

No. 3 (Precincts 7, 8) Casaretto Building, Woodside road at Oxford street.

No. 4 (Precincts 9, 10, 11) George L. Sheets residence, 1147 Clinton.

No. 5 (12, 13, 14, 15) Charles Rooney residence, 237 Jackson.

No. 6 (16, 17, 18) N. W. Hill residence, 220 Fulton.

No. 7 (19, 20, 21, 22) Woman's Club, Clinton street near Broadway.

No. 8 (23, 24) Walter Realty office, El Camino Real at Wellesley.

The council also authorized City Manager C. L. Dimmitt to advertise for bids, to be opened October 18, for paving the extension of Montgomery street from California the 90 feet to where it has just been paved by the Southern Pacific. The delay in getting to this work, Dimmitt said, was occasioned by delay in securing deeds to the property, the original deeds which had been drawn having been deemed improperly written.

The world's most powerful commercial television broadcasting station is to be installed at the foot of the Eiffel Tower, Paris, with an antenna projecting from the top of the flagpole of the tower. The transmitter will have a peak power of 30,000 watts.

Ben Johnson, a contemporary of Shakespeare, wrote of him: "I loved the man this side of idolatry."

San Mateo May Buy Property From Regan

SAN MATEO, Sept. 29—City Atty. Ernest A. Wilson has begun the drafting of a procedure ordinance similar to that in effect at Palo Alto and San Jose, by which San Mateo may acquire property owned by Harry Regan at the entrance of the Baywood subdivision.

This ordinance would permit the city to purchase a tract through a bond issue, the largest percentage of which would be paid by residents of the district directly affected, the remainder to be borne by the community at large.

At an informal meeting of the city council, following the regular session, members expressed the opinion that a meeting in the near future between them and the Baywood property owners as well as business men of the city would play an important role in seeking a solution to the vexing problem.

TO DISCUSS TREE PROBLEM

BURLINGAME, Sept. 29—Invitation was extended today to Hillsborough and Burlingame city councils to attend the dinner meeting October 7 when Earl Lee Kelly, director of the public works, and Col. John H. Skeggs, highway engineer, will confer with San Mateo city officials on the contemplated removal of eucalyptus trees from El Camino Real.

NEW RELIEF FOR RHEUMATIC PAIN
Special--Today and Tomorrow Only--
25c

Today—Friday and Saturday only—an amazing offer is being made to every pain-wracked person in Redwood City and vicinity, every victim of the horrible agony of rheumatism, neuralgia and neuritis. The famous medicine—RUX Compound—which has given absolute proof of its great power in relieving rheumatic pain, is to be introduced locally. In order to demonstrate its power right here in Redwood City and San Carlos an introductory treatment is offered for only 25c today and tomorrow to anyone who presents the coupon below.

The Secret of RUX
For centuries, rheumatic pain has been one of the world's most destructive plagues. This disease has actually crippled more people than all the wars of history, and only now is medical science finding out how to relieve this awful suffering. This remarkable formula — RUX Compound—is the private prescription of a physician in the United States Army, who saw for himself during the World War all the wretched, hopeless misery caused by rheumatic pain. He determined to go beneath the SURFACE SYMPTOMS, and to find out how to treat the pain itself.

What RUX Will Do for You
Within four minutes after you take a dose of RUX, it will begin to be absorbed into your blood stream. A remarkable ingredient is carried through the tissues of your body, and actually reaches the muscles themselves from the INSIDE, where the painful uric acid deposits lie.

Thousands of men and women who had been spending large sums of money on costly treatments, have found quick relief by using this remarkable and inexpensive medicine.

Special Coupon Offer Open to Anyone in Redwood City and Vicinity Who Suffers From the Agony of Rheumatism, Neuralgia, Neuritis

Everyone who suffers from the pain of rheumatism, neuralgia and neuritis, owes it to himself and his family to TRY this medicine which has done so much for others. To PROVE beyond the shadow of a doubt, just what RUX Compound can actually do, this introductory 25c treatment is actually offered below cost—because the regular full-size price of this medicine is $1.50. Could there be any greater proof of the faith which druggists have in RUX? 90% of the people who try this medicine are absolutely convinced by the first trial, that it is exactly the medicine their system needs.

Not more than one coupon can be presented by the same person. Clip this coupon—right now—and present it to any druggist listed below.

Belmont to Trim Overhanging Trees

BELMONT, Sept. 29 — At this week's council meeting, Chief of Police Fred Johnson was authorized to trim branches on six walnut trees in front of the George Sherman property on Sixth avenue, and was directed to order two signs saying "Belmont, 1 mile" at a cost of $4.60 each to be placed on the Bayshore highway.

A vote of thanks was extended Jack Kidd, planning commission chairman, for his work in securing the building of sidewalks on El Camino Real.

Engineer Charles Morser reported he would submit at the next meeting a survey of costs for repairs to the bridge at Sixth and O'Neil avenues. The engineer was authorized to have the shoulders of Ralston boulevard near El Camino Real repaired.

Application of the Empire Advertising Company to erect an illuminated sign on Old County Road near Ralston boulevard was referred to the planning commission.

County Health Nurse Chairman Appointed

San Mateo county's public health nurses' association was well organized today as the result of a meeting held last week at the Burlingame Red Cross office, where Miss Helen Chesebrough, county head of the Red Cross, and her staff acted as hostesses.

Miss Chesebrough named the following committee chairmen: Cora Clute of Redwood City, programs; Opal Fenell, membership; Esther Baxter, publicity.

New public helath nurses attending the session, first since the summer vacation, were Mrs. A. F. Olsen of San Carlos; Mrs. Evelyn Staines, newly appointed Red Cross visiting nurse; and Pauline Merino, newly named San Mateo county tuberculosis nurse.

The name America was first applied to the new world in a map by Waldseemuller in 1507.

Bullock Withdraws From Milligan Case

Atty. Joseph Bullock, veteran county criminal attorney, dropped out of the defense Monday as Michael L. Milligan, accused South San Francisco murderer, appeared for arraignment before Superior Judge Maxwell McNutt.

Judge McNutt set next Monday as the time for Milligan to plead. He also appointed Atty. Percy Jackson of Burlingame to defend the poet-miner who police say shot Mrs. Mary C. Smith, South San Francisco pet shop owner, on June 8, 1936.

Bullock had appeared for Milligan at his preliminary hearing before Judge W. H. Dinning in South San Francisco.

FIESTA ATTENDANCE SMALLER, FINANCES BETTER THAN 1936

Displays at Bay Meadows Are Dismantled, Given to Charities

Although attendance that fell sharply Saturday and Sunday afternoons prevented the third annual San Mateo County Products and Floral Fiesta from breaking last year's mark of 76,000 persons, the fiesta which concluded Sunday after a four-day show at Bay Meadows will come nearer to paying for itself than any of the previous celebrations.

This official announcement came from Fiesta Commission President Bruce Gibson Monday as workmen labored to strip the big racetrack hall of the elaborate flower and commercial displays that have thrilled visitors.

Football games Saturday and the lack of such afternoon events as the parade and the fiesta horse show held last year, were blamed by Gibson for the lower attendance.

"We estimate that between 50,000 and 60,000 people saw the fiesta," the commission head declared, "or an average of near 15,000 per day for the four days of the show."

Other sources, including newspapermen who witnessed the fiesta, considered this figure low and saw on the part of the commission a tendency to minimize attendance to avoid any possible disappointment as to the financial returns from admissions.

Gibson emphasized that many of the persons who milled through the fiesta building were there on passes necessarily provided to exhibitors and others.

"That's an evil that can not be overcome," he declared.

The peak attendance was reached Saturday night, according to Gibson.

It was learned that the "take" from the fiesta was slightly larger than last year, although no figures were available.

ADMITS ONE CHARGE

Joseph Pardini, 41, El Granada rancher, will appear for sentence before Judge Manuel Bettencourt at Half Moon Bay tomorrow on a charge of possessing a slot machine. He pleaded guilty to this offense this morning at the same time he pleaded not guilty to a charge of selling liquor without a license. Lois Donaldson, 23, waitress arrested in the same raid as Pardini, also denied the liquor offense.

The British Parliament passed the Quebec Act in 1774. The act recognized the Catholic faith and allowed the French inhabitants their civil laws and customs.

More Pupils Register At McKinley School

Bringing the total enrollment at McKinley Intermediate School to 524, seven new pupils were registered at the school Monday, according to announcement by Mrs. Lauretta Paulsen, principal. The total is 17 more than last year at this time.

The new pupils are Ben, Henry and David Lopez, formerly of Placentia, the former two registered in the seventh and the latter in the eighth grade; Lorna Owen, whose home was formerly in Ohio, and Mary Patty, who comes from Blue Lake, Humboldt county, both registered in the seventh grade; William Gaines of San Carlos and Marilyn Watt, formerly of Castilleja in Palo Alto, both registered in the eighth grade.

Jack Saltzgaver, Yankee utility man, has gone to bat only twice for the New Yorkers, but he'll get the same world series melon as Joe DiMaggio or Lou Gehrig.

High School Paper Now Appears Weekly

To be issued this year as a weekly paper instead of semi-monthly as in the past, the Sequoia Times, high school publication, Tuesday made its first appearance of the current school year.

Continuing as an eight-column, four-page publication, but with a new typographical dress, the Times will be published each week except those affected by holidays. A total of at least 25 issues for the year is planned by the 38 members of the Times staff, headed by Jack Duttweiler, commissioner of publications.

Last year a total of 17 issues was published.

Annie L. Sericano Taken by Death

Following a period of declining health, Mrs. Annie L. Sericano, 67, passed away Sunday afternoon. She had resided in this city for the past 23 years, living at 312 Elwood street. She was a native of San Francisco.

She is survived by her husband, Louis F. Sericano, and a son, Frank D. Sericano, both of this city. She also leaves a brother, Charles Donaldson of San Francisco.

BURGLARS ASK PROBATION

Frank Eckhardt, Redwood City groceryman charged with burglarizing Dan's Place of $50, pleaded guilty here Monday before Superior Judge Maxwell McNutt. Eckhardt, alias Marshall, asked for probation. His plea was continued two weeks. Joseph Bohen, 24, San Francisco, charged with burglary, also pleaded guilty and asked for probation.
